"Since they (CCC) have taken over, we have seen our win rate rise by 20-30%. They have taken a personal approach to our business and the unique situations we are in. Overall CCC has gone far beyond expectations in regards to handling unemployment claims. "

"CCC's service from start to finish has been exemplary and on a professional, knowledgeable, yet friendly level that far exceeds any other vendor we have come to deal with. Nothing ever seems to be too much trouble for their team and our company is made to feel unique, never feeling that we are just one of many clients that CCC have to deal with each day. CCC is in a class of their own for unemployment vendors."

*"CCC is one of the best vendors I have ever had. They give the client the feeling that no matter how large or small, we are entitled to excellent customer service. They provide training materials that we incorporate in our manager training as well as offer the service to train as well. Bottom-line, I highly recommend CCC. I was extremely dissatisfied with my previous unemployment vendor, I have not regretted my move to CCC for a minute."*
