

AlliedBarton - A Corporate Cost Control Success Story

AlliedBarton Security Services is the industry's premier provider of highly trained, responsive security personnel. As the most honored security officer services company, AlliedBarton leads the industry in award winning programs. AlliedBarton has been recognized by Training magazine, ASTD, Corporate University Xchange, Leadership Excellence and the American Business Awards, among others.

AlliedBarton moved their unemployment program to CCC because they felt a partner with a more personalized approach would help them to achieve greater savings in their unemployment program. The dramatic savings that have been achieved are very typical of a new CCC client.
