

JULIA DAY

Account Executive

Julia obtained her B.A. in Business Administration with a Minor in Management from Franklin University in 2005. In her free time Julia enjoys being outdoors and can be found hiking and fishing.

CCC is a national unemployment cost control service provider with offices throughout the United States. CCC's management team has over 250 years of experience. With our full service unemployment cost control service, you can better manage your entire process and dramatically reduce your state unemployment costs.

Julia Day began her career in the unemployment compensation consulting business in 1999 with GatesMcDonald. Working at the corporate office in Columbus, Ohio, Julia gained experience in several areas including Support Services and Claims Processing. Julia remained in the Claims Department when the TALX Corporation acquired GatesMcDonald in 2003.

During her tenure with the TALX Corporation, Julia continued to increase her knowledge of unemployment insurance and hone her customer service skills. Julia was promoted to the Hearings Department briefly prior to a promotion to Account Executive in 2004. As an Account Executive Julia became a liaison between clients and the staff serving the client.

Corporate Cost Control, Inc., was fortunate to add Julia to our team in March of 2010 as an Account Executive. Julia is passionate about Account Management. "In this role, I am able to assess client needs in order to develop service and communication plans." – Julia Day

As an Account Executive, Julia is responsible for conducting meetings, which include implementation, educational workshops, quarterly report reviews, contact plans, problem resolution, and contract management. Her problem resolution skills, experience and knowledge of unemployment insurance are an asset to CCC's diverse client base.
