Sabrina Bentler began her career in unemployment compensation consulting in 2000 with Corporate Cost Control as a receptionist. As a highly motivated individual, Sabrina spent time learning the industry and was promoted in 2002 to Support Services. She supported Account Managers by assisting them with benefit charges, generating reports, along with continuing to assist with daily operations.

Her customer service skills and the knowledge she had gained resulted in a promotion to Account Manager in 2003. Sabrina was responsible for handling all aspects of the clients' unemployment program. This included processing unemployment claims, appeals, representing them during the unemployment hearing process, conducting training workshops and delivering client reports.

In 2009, Jay and Tim Rooney acquired Corporate Cost Control. At that time Sabrina was moved to Senior Claims Analyst & Hearings Coordinator. Sabrina's duties were modified and she began having a deeper focus on the hearing portion of the program. Sabrina's critical thinking skills allowed her to provide excellent guidance during both the appeal and hearing processes. Sabrina also worked with Independent Hearing Representatives insuring that they provided the superior customer service and representation that CCC is known for.

In 2010 Sabrina was promoted to Account Executive. With her long tenure in unemployment compensation consulting, Sabrina has an ability to work with a diverse group of clients. She is able to adjust and work with organization; no matter the size or industry. Currently Sabrina is working with clients such as, Safeway, Best Buy, Vanderbilt University, City of Dallas, City of San Diego, and Medtronic.

"I will increase customer satisfaction by anticipating what the customers want, providing it to them on a consistent basis and asking them how we are doing. Customer Feedback is key." – Sabrina Bentler
