## Corporate Cost Control Teams with Ban-Koe Companies

---

Partnership brings businesses the opportunity to achieve maximum savings.

Corporate Cost Control (CCC) and Ban-Koe Companies are pleased to announce an exciting new strategic partnership. CCC is a workforce solutions provider with a full suite of services including Unemployment Cost Management Services, as well as Employment & Income Verification (CCC Verify) services.

CCC is a provider of unemployment cost management services with experience since 1965. CCC's full suite of unemployment management services allows businesses of any size to dramatically reduce their state unemployment costs. Our unemployment tax experts ensure the accuracy of the financial aspect of unemployment and offer assistance with strategies to continually lower your unemployment tax rate.

CCC also provides Employment and Income verification through CCC Verify. CCC Verify offers a cost-free, automated solution for employers in any industry, to alleviate the burden of verifications and to generate fast, objective and accurate information to better serve their employees and the verification community.

By partnering with Ban-Koe, CCC is able to offer versatile, leading edge technology in labor management, advanced scheduling, human resources, and more. CCC clients are looking for a real partner to achieve savings and relieve administrative burdens. In partnering with Ban-Koe CCC is able to provide solutions for their clients in not-for-profits, including state & city government, educational institutions, districts and national for-profit clients in every industry and every size.

### **About Corporate Cost Control**

Corporate Cost Control has a strong foundation in the unemployment business that dates back to 1965. They have an extensive background in state unemployment agency adjudication and hearings, human resources, and cost control account management. Their management team, averaging 28 years of unemployment services experience, is proud to be a leader in the industry.
