

Hurricane Florence Unemployment News - North Carolina

As a result of Hurricane Florence, state unemployment agencies are preparing for impact. CCC spoke with affected agencies this morning (September 13, 2018) to ensure we have the latest information on how each agency is preparing for impact. CCC will continue to monitor the state unemployment agencies and up date you as details become available.

North Carolina

The Department of Commerce has indicated that they are operating as usual. They are continuing to process claims and hold unemployment hearings. There are some office closures. Please see as follows:
