
Vermont – Fraudulent Email Sent from Department of Labor on November 14th

The Vermont Department of Labor (VT DOL) has sent out an email announcing that a group of Vermont employers received an unauthorized email from labor.uiinformation@vermont.gov. The fraudulent email was sent at roughly 11:45am on Wednesday, November 15th, 2018. The email looked as though the VT DOL was notifying recipients of outstanding invoices and potential charges.

The VT DOL states that the email: labor.uiinformation@vermont.gov, is only used for Quarterly Reporting Reminders. The DOL will not email invoices to employers and does not notify employers of potential charges via email.

If you have received an email indicating anything outlined above, please delete this email and do not open any attachments.

The VT DOL is actively working to identify and resolve this issue as soon as possible.

If you have questions, please contact The Vermont Department of Labor for assistance.
