## California Natural Disaster Unemployment News - Filing Deadline Extended

---

As a result of the November 2018 Camp Fire, Hill Fire and Woolsey Fire a presidential declaration of disaster was put into effect **November 8, 2018** for Butte, Ventura and Los Angeles Counties. This declaration and the expansions provide that Disaster Unemployment Assistance (DUA) may be available. CCC will provide additional information as it is released from the agency.

### Filing Details:

- Filing deadline is updated to March 15, 2019.
- The state is also waiving the one week waiting period for claims filed as a result of these fires.
- The fastest and easiest way for new claimants to apply for DUA is to use EDD's online application, "[eApply4UI](#)," which is available in both English and Spanish.
- Claimants can also file for DUA by phone between 8 a.m. and 12 noon, Monday through Friday:

EDD's Disaster Related Services [webpage](#) includes more information for individuals and businesses impacted by disasters, including tax filing extensions for affected employers. EDD also encourages individuals to visit the Governor's Office of Emergency Services ([Cal OES](#)) website for information on local assistance centers, which provide referrals for individual and public assistance.

- DUA applies to losses beginning the week of November 11, 2018, and benefits are up to \$450 a week for up to 27 weeks.
- Applications filed after the deadline will be considered untimely and DUA benefits may be denied unless the individual provides good cause. Applicants must submit their Social Security number, check stubs and documentation to support the Claim that they were working or self-employed when the disaster occurred. In some cases, additional documentation may be required.
- To receive DUA benefits, all required documentation must be submitted within 21 days from the date the DUA application is filed.

### What is Disaster Unemployment Assistance?

Disaster Unemployment Assistance (DUA) is a partnering program between the USDOL and FEMA to provide funds to state UI agencies for the payment of UI benefits under certain circumstances. It provides disaster unemployment assistance to individuals who have lost employment as the result of a major disaster and are NOT otherwise eligible for regular UI benefits.

Individuals are eligible if they lived, worked, or were scheduled to work in the affected areas and:

- No longer have a job or place to work; or
- Cannot reach the place of work; or
- Cannot work as the result of damage to the place of work; or
- Cannot work due to injury sustained in the disaster
- Became the breadwinner or major supporter of a household due to the death of head of household resulting from the disaster

DUA benefits are only payable during the Disaster Assistance Period (DAP) and shall not exceed 26 weeks. The weekly benefit amount for which the person may be eligible is determined by the governing laws in the state in which the claim was filed. Any benefits claimed under the DUA program are 100% federally funded which means employers' UI accounts will not be charged.
