

TERESA ANDERSON

Vice President, Tax Credit & Incentives

Teresa Anderson had just graduated from college when her parents, Fred and Gayle Stout, joined with long-time friends Dr. Jack Stephens and Beverly Kiker acquired Mars Stout in 1982. With a degree in General Education, Teresa decided to take a leap of faith and joined the family business as a Tax Screening Specialist. Teresa did not expect to become as passionate about Tax Credit Screening as she did, but when she qualified Mars Stout for their first tax credit, she was hooked!

Taking numerous positions within the company, Teresa gained a well-rounded background in Tax Credits & Incentives. In 1992 Teresa was promoted to a Client Service Representative. In this position, Teresa was responsible for program analysis, report delivery, client training seminars, as well as client satisfaction.

With a customer-focused view, Teresa and her family of 7 brothers and sisters, worked to see Mars Stout become a national leader in Tax Credit Screening Services. With CCC's acquisition of Mars Stout in 2018, Teresa became the Vice President of Tax Credit & Incentives. The Mars Stout teams dedication to the employers they service is exemplified by Teresa, "Mars Stout's resilience and diversification have been necessary to maintain growth and customer satisfaction, in a changing industry. We serve as an intermediary between workers in these target groups and their employers, conducting the screening process that determines the employers' eligibility to capitalize on the tax credits potentially available to them."

CCC looks forward to the continued dedication and exemplary customer service standards that Teresa and her team bring to the organization.

When Teresa isn't working, she enjoys spending time with her son, Justin and her husband, Scott. Being in beautiful Missoula, MT, Teresa also enjoys camping, fishing, and hiking.

CCC is a national workforce solution provider with offices throughout the United States. CCC works with organizations in all industries both large and small. Contact CCC for additional information.
